# About the Pet

## About the Pet

- “Pets” refer to cats and/or dogs owned by you.
- All pets must be fully vaccinated and/or chipped in accordance with the law.
- Environmental hygiene is important.  
Owners should ensure that pets have been bathed and groomed before entering the building.
- **All pets admitted to the premises must be fitted with diapers.**

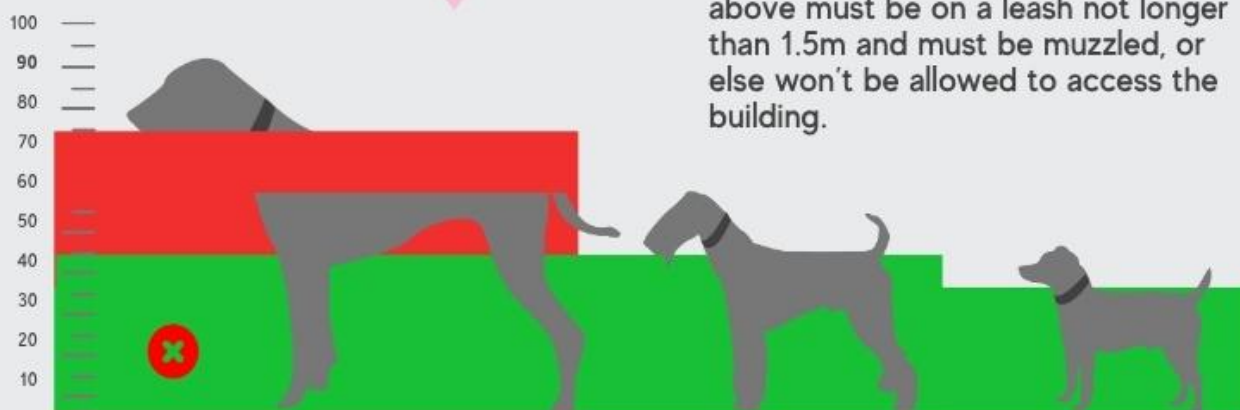

### FRIENDLY REMINDER

Dogs over 60cm in height (measured from the shoulders) and “fighting”/“known dangerous” dogs classified under the Dangerous — Dogs Regulation (Cap167D) are not allowed to enter.

\*Please see the reference below

- Pets with body length under 40cm must be on a leash, and carried either by trolley, bag or be hand carried within the building.
- Pets with body length of 40cm or above must be on a leash not longer than 1.5m and must be muzzled, or else won't be allowed to access the building.

# In the Public Area

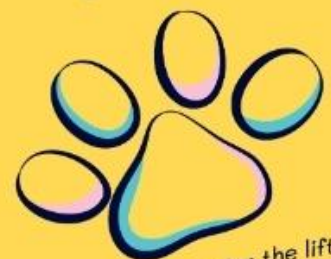

## In the Public Area

- Any places with "no pets" signs are prohibited to enter.
- Each tenant has their pet policies and should be respectively followed.
- According to statutory requirements, pets (except for guide dogs & dogs in connection with the exercise of a lawful power) are not allowed to enter restaurants. Pet owners could be liable if contravened.

Owners carrying their pets must use our designated Pet-friendly Lifts for travel. To make an appointment, please contact our concierge and the Pet-friendly Lifts

would be operated by our ambassadors. There may be other passengers on the Pet-friendly Lifts as usual.

# Care and Safety

- Pets must not be left unattended at any time.  
Pet owners must take full responsibility for their pets and must ensure that they do not cause any inconvenience to others.
- In case of accidents caused by their pets, owners are liable to the concerned parties and will be responsible for all medical and other expenses related to the accident.
- Please keep the building clean and hygienic. Manure and other waste from the pet must be collected and disposed of properly.
- We reserve the right to ask pet owners to bring their pets outside the building if owners are deemed unable to follow the above rules and regulations, or if the pet shows disturbing behavior or poses danger to others.
